

## Childcare Needs Survey

With the high demand for Childcare, Woodlands Childcare Inc. is exploring the opportunity of expanding their Program into other surrounding communities. The following information will be collected to determine the current demand for a new facility and the number of spaces required to support the families in the area.

**Please take a few minutes to complete the following survey. If you would like to complete the survey on line please go to <https://www.surveymonkey.com/r/HZHWXWC>**

1. Would you be interested in a space for your child/children in a Public child care setting?  
Yes  No
2. Is your child/children currently on a Home or Centre Childcare Waitlist? Yes  No
